🎧 So from tomorrow, people crossing in small boats can be detained and sent back to France.

🎧 And in exchange, the UK will take an equivalent number of people from France.

作为交换，英国将从法国接收同等数量的人。

🎧 But only those who might have a legitimate claim to be in the UK, only those who come through official routes.

但仅限于那些可能有合法理由留在英国的人，以及通过官方途径抵达的人。

🎧 The hope is, along with other measures like tackling illegal working and cracking down on the smugglers, it might start to have an impact.

希望是，连同打击非法工作和打击走私者等其他措施，这可能开始产生影响。

 00:13:54

🎧 But the government won't say how many people could be returned to France under this scheme.

但政府不会透露根据该计划可能有多少人被遣返回法国。

🎧 They say at this stage it's a pilot scheme, the number to ramp up.

他们表示，现阶段这是一个试点计划，人数将逐步增加。

🎧 Critics, though, say the reason they're not putting a figure on it is because the number could be too small to make any sort of meaningful difference and that this scheme won't

have much impact at all.

然而，批评者表示，他们不给出具体数字的原因是人数可能太少，无法产生任何有意义的影响，而且该计划根本不会有太大效果。

 00:14:13

▶ Nonetheless, the government's argument is getting these international agreements is the way to tackle a global problem.

尽管如此，政府的论点是达成这些国际协议是解决全球问题的方法。

▶ Of course, the key question, and perhaps the only one that really matters, is whether or not it works.

当然，关键问题，也许是唯一真正重要的问题，是它是否有效。

▶ Alex Falsythe and Andrew Harding, thank you both.

⌂ This time yesterday it was a case of storm force winds across Scotland, much calmer, although calmer, still a little breezy.

⌂ So let's get the forecast then for tomorrow and it's looking quite optimistic for most of us.

⌂ Pleasantly warm and there's some sunshine in the forecast as well.
