 I'm El Arshmae and this is the conversation from the BBC World Service.

我是El Arshmae，这里是BBC国际服务频道的《对话》节目。

 The show that amplifies women's voices, which is really just a fancy way of saying that we get two extraordinary women from two different countries who share some kind of expertise, bring them together and see what happens.

这档节目旨在放大女性声音——简而言之，我们邀请两位来自不同国家、拥有专业背景的杰出女性展开对话，观察碰撞出的火花。

 So what unfolds when you get a group of women, sometimes complete strangers to travel together?

当一群素不相识的女性结伴旅行时，会发生什么？

[Back to Top](#)

 00:01:40

🎧 I was there standing alone with my little backpack full of food and clothes and I spent my first five days traveling basically alone with people I never I never met before.

背着装满食物衣服的小包，独自和陌生人完成了五天旅行。

🎧 So since then, I just I knew that I will be traveling.

从那时起我就知道自己会持续旅行。

🎧 Hold on, hold on.

等等。

🎧 You were telling me that as an eight-year-old, you went on a holiday without your family, without realizing that it was a family trip.

你八岁就独自参加亲子旅行？

[Back to Top](#)

 00:03:50

🎧 Yeah.

是的。

🎧 Okay.

好吧。

🎧 And then we're supposed to be surprised that you've won to the Middle East on your own.

难怪后来敢独闯中东。

🎧 Yeah.

没错。

🎧 Well, now it was amazing.

那次经历很棒。

🎧 Obviously the rest of other people who helped me somehow because I didn't know any English but it was a very nice experience.

虽然不懂英语，但有陌生人帮助，体验很美好。

🎧 I didn't cry a single time.

全程没哭过。

🎧 Stuff happens in your formative years.

成长经历塑造人生。

[Back to Top](#)

 00:04:09

🎧 Yeah.

是啊。

🎧 It was a stuff.

关键节点。

🎧 Yeah.

对。

🎧 Exactly.

正是如此。

🎧 That's a stuff.

人生转折点。

🎧 And I'm sorry, I cut you off.

抱歉打断你。

🎧 You were saying that when you were 15?

你刚才说15岁时？

▶ Yeah, I was in my first or 15.

15岁开始独立旅行。

[Back to Top](#)

 00:04:19

▶ I started travel independently.

捷克有家旅行社每年促销。

▶ There was an agency in check which once a year they had these promotions, they would sell you a blind ticket anywhere in Europe for I think four or five dollars.

出售四五美元的欧洲随机目的地盲票。

▶ It was extremely cheap even for our students.

对学生也极便宜。

▶ And every single year when they saw attend me and my sister we skipped our classes, but just in the morning, five, six we went to the agency.

每年我和姐姐都会逃课，凌晨五六点去排队。

[Back to Top](#)

 00:04:43

▶ Around six o'clock in the morning was already a long, long line of other people waiting after four or five hours of waiting.

清晨六点左右，已经排起了长长的队伍，人们等了四五个小时。

▶ There was usually one or two countries left.

通常只剩下一两个国家可选。

▶ So we didn't have much choice, but we still bought any ticket anywhere.

所以我们没什么选择，但还是买了随便去哪里的票。

▶ We bought it.

我们买了票。

▶ We got it and we traveled.

拿到票后我们就出发了。

▶ We went to Denmark.

我们去了丹麦。

▶ We've been to Belgium.

去过比利时。

[Back to Top](#)

 00:05:04

我想我们还去过德国北部。

▶ We were saving our money whole year to have this trip.

我们攒了一整年的钱就为了这趟旅行。

▶ It was pretty awesome.

那段经历非常棒。

▶ Until now, I don't understand it.

直到现在我都想不明白。

▶ Our parents were not more afraid of us for us.

我们的父母对我们并没有更担心。

🎧 Yeah, I'm going to say a lot of people listening to this will be wondering what people whose parents were somewhat stricter, shall we say?

是的，很多听众可能会好奇那些父母管教更严格的人会怎么想？

[Back to Top](#)

 00:05:25

🎧 I really enjoyed my formative year of suit to us in what sort of fun.

我真的很享受那段塑造我性格的时光，充满了各种乐趣。

🎧 Although I have to say, there is a big difference between going on a holiday and enjoying traveling and actually starting a company.

不过我得说，度假享受旅行和真正创业是完全不同的。

🎧 How did you decide to start a company?

你是怎么决定创业的？

🎧 What was that process like?

这个过程是怎样的？

🎧 Tell me.

跟我说说。

🎧 For me, I actually first started with a magazine that was like my first foray into entrepreneurship, and I wanted to connect the African diaspora with the continent through writing and storytelling.

对我来说，最初是创办一本杂志，那是我第一次涉足创业，我想通过写作和叙事连接非洲侨民与非洲大陆。

[Back to Top](#)

 00:05:58

▶ And then I noticed that about 80, 90% of our readers were women.

后来我注意到读者中约80%到90%是女性。

▶ It was an African lifestyle magazine and we covered business and fashion and travel.

那是一本非洲生活方式杂志，内容涵盖商业、时尚和旅行。

▶ And through that, I met really incredible entrepreneurs, especially business women who were doing amazing things that I wanted to highlight.

通过杂志，我结识了了不起的企业家，尤其是那些我想重点报道的优秀商界女性。

▶ And so with the travel, I was able to bring my community from all across the world to meet those women and to meet those business leaders.

通过旅行，我把来自世界各地的社群成员带到这些女性和商业领袖面前。

[Back to Top](#)

 00:06:22

▶ How about you, Lenka?

你呢，Lenka?

▶ What was the process for you?

你的经历是怎样的？

▶ I never thought about being true leader, but when I was 21, 22, I get a scholarship in Iran and I spent my summer or a few months in Iran and my person worked really better.

我从没想过成为真正的领导者，但21、22岁时获得伊朗奖学金，在那里度过暑假或几个月后，我的状态变得更好。

🎧 And when I came back home, I was wondering, well, I speak a language, not many people speak to in Central Europe at least.

回国后我意识到，自己会说的语言在中欧没几个人懂。

[Back to Top](#)

 00:06:50

🎧 And a friend of mine told me, let's try to write some travel agency.

朋友建议："试试写点东西给旅行社吧"。

🎧 And it was one travel agency which was really looking hard for one person who knows Iran.

恰好有家旅行社急需懂伊朗的人。

🎧 So I just went there, they gave me like \$9,000 and they told me in one week you fly to Iran with your first group, because they were really, really desperate.

我就去了，他们当场给我9000美元，说一周后带第一个团飞伊朗——他们实在太缺人了。

🎧 And I was 22, so pretty young.

那时我才22岁，非常年轻。

[Back to Top](#)

 00:07:14

🎧 And since the moment I started to bring groups to different North Africa and Middle Eastern countries, I was for many years, I was working, I was working for travel agencies in Czech, but we have this law which do not allow, does not allow travel agencies to bring clients to countries which are defined as a war zones.

从带团去北非和中东国家开始，我在捷克旅行社工作多年，但当地法律禁止旅行社组织游客前往战乱国家。

▶ So for example, it's now nowadays for Czech ministry, for in our first, it's Iran.

比如现在捷克外交部仍将伊朗列为禁区。

▶ And I've been to Iran 26 times and I want to come back.

但我去过伊朗26次，还想再去。

[Back to Top](#)

 00:07:48

▶ I love this country so much.

我太爱这个国家了。

▶ And there are other countries I love.

还有其他我热爱的国家。

▶ There is Yemen, there is Afghanistan, and I just came back from South Sudan, Somalia.

也门、阿富汗，我刚从南苏丹和索马里回来。

▶ Many countries I want to work in are not, it's not possible to work for travel agency to bring people there.

很多我想开展业务的国家，旅行社都无法组团前往。

▶ So that's why I started to work independently.

所以我才开始独立工作。

▶ I, well, I'm basically free-rancing as a tool guide in cooperation with local agencies.

我算是自由职业导游，与当地机构合作。

[Back to Top](#)

 00:08:13

🎧 So for me, it was only a question of countries I want to, I want to explore, I want to get to know.

对我来说，这纯粹是我想探索哪些国家的问题。

🎧 What's it like bringing people together who are complete strangers and kind of being responsible for not just the tour itself, but the cohesiveness almost of the group?

把陌生人聚在一起，不仅要负责行程还要维系团队凝聚力是什么体验？

🎧 Because the central theme of our trips is social impact, we always attract the right kind of traveler who is a bit more interested in kind of the goal, the overall mission of the trip than anything else.

因为我们旅行的核心是社会影响，总能吸引更多关注旅行使命而非享乐的游客。

[Back to Top](#)

 00:08:48

🎧 So with every girl's trip, we educate a girl for one school year, so we fund a scholarship.

每次女性旅行都会资助一名女孩一学年的教育。

🎧 And that's really important to the women that come on the trips, the whole mentorship aspect.

这对参团女性非常重要，尤其是导师制部分。

🎧 So we actually invite the girls that will be funding scholarships for to be a part of the experience.

我们会邀请受资助女孩参与旅行体验。

🎧 And so as we are touring these new places, for example, we went to Zambia and we saw Victoria Falls.

比如在赞比亚游览维多利亚瀑布时，

[Back to Top](#)

 00:09:13

▶ The girls who had lived their whole lives and didn't live very far ahead never experienced that.

当地女孩虽然住得不远却从未见过这般景象。

▶ Our trips are luxury.

我们的旅行是奢华型的。

▶ We wanted to make sure that people could see Africa as a luxury destination.

想让人们看到非洲也可以是奢华目的地。

▶ And they could also see that you can have a luxury experience and still leave impact.

同时证明奢华体验与社会影响可以并存。

▶ And how about you, Lenka?

你呢Lenka?

▶ How do you find the process of finding people to actually come on these trips and then organising them so that people are cohesive bunch?

你如何招募参团者并确保团队凝聚力？

[Back to Top](#)

 00:09:44

▶ I think that's an important scale of luxury.

我认为这是另一种形式的奢侈。

▶ I stand on the directly opposite side in Tamey.

我的方式与Tamey截然相反。

▶ My clients come home exhausted, dirty, they stink as hell, as I do.

我的客户回来时浑身脏臭，我也一样。

▶ We sleep in a tent, we spend a lot of time with local people.

我们睡帐篷，花大量时间与当地人相处。

▶ Sometimes we just sleep on the ground somewhere in a hut.

有时直接睡在棚屋地上。

▶ And what I offer to my clients is information.

我提供的是信息价值。

[Back to Top](#)

 00:10:11

▶ I don't want to brag much, but what I do in my country is pretty unique.

不是自夸，但在我国这很独特。

▶ I'm the only person here who offers certain trips, certain countries.

某些国家的路线只有我能组织。

▶ And since I'm a writer, I'm a journalist.

身为记者兼作家，

▶ I'm known among those people who are interested in Middle East.

在中东爱好者中有知名度。

▶ So I don't need to promote much.

所以不需要大力推广。

🎵 Usually what I do, I just put information on my website, hey guys, these days I have this trip, next month's that trip, and people just apply.

通常只在网站发布行程信息，人们就会报名。

[Back to Top](#)

 00:10:44

🎵 And it comes quite, myself I'm surprised how easily it works now.

顺利得连我自己都惊讶。

🎵 And since I'm free answer, biggest advantage is that I can choose my own clients.

自由职业的最大优势是可以筛选客户。

🎵 Before every trip, I want to have a place to face a conversational WhatsApp or in a pop or just over coffee, to know that my group will work well.

每次出团前都会通过WhatsApp或咖啡面谈确认团队适配度。

🎵 You're actually quite picky about who you allow on these trips.

你对参团者确实很挑剔。

[Back to Top](#)

 00:11:14

🎵 Exactly.

没错。

🎵 And that just seems like a really fascinating business model because it's just so different to what most people are expecting.

这种商业模式很有趣，因为它完全颠覆常规预期。

▶ Look, I'm having a decent life.

听着，我过得不错。

▶ And I prefer to have less money with less problems.

宁愿少赚点钱少些麻烦。

▶ I mean, if you bring a wrong client to a wrong country, it can cause you a lot of issues.

带错人去错国家会引发无数问题。

▶ It can cause you future clients, it can cause you your reputation.

可能失去潜在客户，损害声誉。

[Back to Top](#)

 00:11:42

▶ And it's not just about safety, it's also about respect.

不仅是安全问题，更关乎尊重。

▶ Imagine now working in Afghanistan, you have a real bringing group of tourists and they all have these big access cameras.

想象在阿富汗带团，游客都带着长焦相机。

▶ And they want to take pictures.

想随意拍照。

▶ And sometimes we have to explain them like, guys, this is not a place you can take pictures.

有时得解释"这里不能拍照"。

▶ Those people, they are not giraffes, they are not zebra, they are not Safari, those are human beings.

"他们不是野生动物，是人类"。

[Back to Top](#)

 00:12:06

▶ And I speak Persian, I understand how Afghanistan is to react.

我懂波斯语，知道阿富汗人的反应。

▶ They tell you in Persian because they don't know any other language.

他们用波斯语说：

▶ They tell you, oh, you've been killing us for 20 years and now you take pictures of us like animals.

"你们杀了我们20年，现在像拍动物一样拍我们"。

▶ So you have to really talk to your clients and explain them how to behave, how to respect other cultures.

所以必须教会客户如何尊重其他文化。

[Back to Top](#)

 00:12:27

▶ Tell me, what do you think surprises the women most when they go on one of your trips and visit an African country?

你认为参团女性访问非洲国家时最惊讶的是什么？

▶ Most of my travelers are maybe first or second generation from Africa or they're African American.

我的客户多是非洲移民二代或非裔美国人。

▶ There is this lie that they've been told about the continent.

她们听过关于非洲大陆的谎言。

🎧 And so usually when they arrive and they see how developed it is or how friendly people are, it does take them back because they've been told, you know, Africans don't like you, especially African Americans or that the whole continent is extremely unsafe.

当看到实际发展程度和人们的友善，她们会很震惊——因为总听说"非洲人讨厌非裔美国人"或"整个大陆都很危险"。

[Back to Top](#)

 00:13:06

🎧 And then when we connect them into our community and they meet the women who are hosting them, if you will, there is so much that they haven't commented, and there's so much similarity.

当她们接触当地接待女性时，会发现无数共同点和未被讲述的故事。

🎧 And that really takes them back.

这让她们非常震撼。

🎧 This idea of sisterhood across the global diaspora.

这种全球散居姐妹情谊。

🎧 Lenka, how do you find leading all women groups?

Lenka, 带领全女性团队感觉如何?

🎧 Sometimes it's more difficult than to work with men groups because often there are more issues on communication level.

有时比带男性团更难，因为沟通问题更多。

[Back to Top](#)

▶ And there is a much more envy than with men.

嫉妒心也更重。

▶ Men are, I don't want to say it in a mean way, but they are more simple to work with.

不想刻薄，但男性确实更简单。

▶ Men are just easy going.

男性更随和。

▶ If they are upset, they are upset.

不高兴就直接表达。

▶ They will just argue with you.

吵完就翻篇。

▶ They can be the other guy and it's finished.

他们可以是另一个人，然后就结束了。

▶ Women do not forget and she's upset silently.

女人不会忘记，她会默默地生气。

▶ Okay, obviously men and women groups have different issues.

好吧，显然男性和女性群体有不同的困扰。

[Back to Top](#)

▶ But for me, it's sometimes much more easy going because with men who can just be straight.

但对我来说，有时和男性相处会更轻松，因为他们可以直接了当。

▶ So women are just much more complicated for me.

所以对我来说，女性要复杂得多。

▶ And I'm speaking because of women.

我这么说是因为女性。

▶ For me, I haven't really experienced that with the women groups I've led.

就我个人而言，在我带领的女性团体中并没有真正经历过这种情况。

▶ It's a good thing.

这是件好事。

▶ That's a good thing.

那是件好事。

▶ Celebrate that.

为此庆祝吧。

▶ What I will say is like women will hold you to like a higher standard because they tend to see the details.

我想说的是，女性会以更高的标准要求你，因为她们往往注重细节。

[Back to Top](#)

 00:14:32

▶ With my trips, they're also luxury.

我的旅行也是奢华的。

▶ So it's a little different, there's really not too much to complain about because you're resting and you're exaggerating the whole week.

所以有点不同，真的没什么可抱怨的，因为你整周都在休息和放松。

🎧 But I will say women are very detailed oriented and we'll see the little things.

但我要说女性非常注重细节，我们会注意到小事。

🎧 So how do you make it special then for women on your trips, Tami?

那么，塔米，你如何为女性在旅行中创造特别体验呢？

[Back to Top](#)

 00:14:54

🎧 With my trips, there's always a welcome gift when folks arrive and it's always very closely linked to the community that we're in.

在我的旅行中，人们到达时总会收到欢迎礼物，而且这些礼物总是与我们所在的社区紧密相关。

🎧 So like handcrafted artisan works, things like that that kind of tie them to the place.

比如手工艺品之类的东西，让她们与这个地方产生联系。

🎧 Again, with the mentoring aspect, we always will workshop with the girls beforehand.

同样，在指导方面，我们总是会提前与女孩们进行研讨。

🎧 So we match the women with the right girls in terms of like the girls who maybe want to become a coder and then we match them.

因此，我们会根据女孩们的需求（比如想成为程序员）将她们与合适的女性配对。

[Back to Top](#)

 00:15:24

🎧 So those little details and making sure that they feel like impactful, even in the mentoring aspect, they know that we care with the little details of the gifts with conversation cards over dinner.

这些细节确保她们感受到影响力，甚至在指导方面，她们知道我们在意细节，比如晚餐时的对话卡片和礼物。

🎧 I really try and like zoom in on the tiniest detail.

我真的努力关注最微小的细节。

🎧 So they feel like this is not a trip that they could have planned themselves.

这样她们会觉得这不是她们自己能计划的旅行。

[Back to Top](#)

 00:15:45

🎧 Well, it's intriguing as well because you know, so many people wouldn't associate going on holiday with mentoring.

嗯，这很有趣，因为你知道很多人不会把度假和指导联系在一起。

🎧 But what you're describing here is that the mentoring is yes, them giving back.

但你在这里描述的是，指导确实是她们的回馈。

🎧 But also clearly is something quite special for the person that's doing it.

但显然对执行者来说也很特别。

🎧 I'm just pretty sure, you know, the girls get so much from it.

我很确定，女孩们从中收获很多。

[Back to Top](#)

 00:16:04

🎧 They usually are maybe the first generation in their family to pursue higher education.

她们通常是家里第一代追求高等教育的人。

⏮ And so they don't have many examples of women of career women who are doing the things that they hope to do.

因此，她们没有太多职业女性的榜样来做她们希望做的事情。

⏮ And so with our trip, they're able to see examples of what's possible.

通过我们的旅行，她们能看到可能的榜样。

⏮ But also have these women speak to them and encourage them to stay on the path, which you might just think, oh, like, you know, meeting a woman who tells you it's possible isn't a huge motivator.

而且这些女性会与她们交谈，鼓励她们坚持走下去，你可能觉得，哦，遇到一个告诉你这是可能的女性并不是很大的动力。

[Back to Top](#)

 00:16:34

⏮ But it really is for these girls when everyone else around them is telling them that they should just get married, right?

但对这些女孩来说确实是，当周围所有人都告诉她们应该结婚时，对吧？

⏮ And they shouldn't pursue their dreams.

她们不应该追求梦想。

⏮ And then not only that, but then they get a scholarship or some form of educational support after the experience.

不仅如此，她们在经历后还能获得奖学金或某种形式的教育支持。

⏮ You talk about women-driven ecosystems.

你谈到了女性驱动的生态系统。

⏮ Yes.

是的。

 00:16:50

🎵 So we were actually featured in a United Nations case study around 2020.

我们实际上在2020年左右被联合国案例研究收录。

🎵 So post pandemic and at that time, that's when I really understood what we were doing because other people saw what I was doing kind of before I understood it.

那是疫情后，那时我才真正理解我们在做什么，因为别人在我理解之前就看到了我的工作。

🎵 But I had always been drawn to working with these black women and companies.

但我一直热衷于与这些黑人女性和公司合作。

🎵 And what I started doing there after was really focusing on building this ecosystem, which now exists across six countries.

之后我开始真正专注于建立这个生态系统，现在它已扩展到六个国家。

 00:17:17

🎵 So it's a network of women-owned travel companies, whether it's hotels, transportation providers, to the little activities that people can tap into, right?

这是一个女性拥有的旅行公司网络，无论是酒店、交通供应商，还是人们可以参与的小活动，对吧？

🎵 So if you want to plan a trip and you want it to be led by businesses that you know will impact the local economy, because in Africa, especially southern Africa, East Africa, a lot of the tourism companies are still European-owned.

因此，如果你想计划一次旅行，并希望由你知道会影响当地经济的企业主导，因为在非洲，特别是南部非洲和东非，许多旅游公司仍由欧洲人拥有。

▶ And so if you just stay at a generic hotel or you just go with a generic like tour provider, that money is ultimately making its way back to your end.

所以如果你只是住在一家普通酒店或选择普通的旅游供应商，这笔钱最终会流回你的国家。

[Back to Top](#)

 00:17:50

▶ And that's the colonial legacy.

这就是殖民遗产。

▶ But with the folks that I work with, you can be sure that the money stays on the ground and impacts local communities.

但与我合作的人，你可以确定钱会留在当地并影响社区。

▶ And so that's what I mean by this women-driven ecosystem.

这就是我所说的女性驱动的生态系统。

▶ By supporting these women, travel companies, you're supporting the communities that they support.

通过支持这些女性旅行公司，你也在支持她们所支持的社区。

▶ And there's a ripple effect to how your tourism dollars are spent.

你的旅游消费会产生连锁反应。

[Back to Top](#)

 00:18:12

▶ I wonder if you could give me some specific examples of moments of connection between the women on your trip.

我想知道你是否能给我一些具体的例子，说明旅行中女性之间的连接时刻。

▶ So I think Zambia was a really good one because for the Zambia trip, we went on so far.

我认为赞比亚是一个很好的例子，因为赞比亚之旅我们走得很远。

▶ But we kind of did the Zambia experience our way to almost turn it on its head.

但我们以自己的方式体验赞比亚，几乎颠覆了传统。

▶ So we found a company in Botswana and it's all women tour guides.

我们在博茨瓦纳找到了一家公司，全是女性导游。

[Back to Top](#)

 00:18:36

▶ So it's Africa's first all women's Zambia guide team.

这是非洲第一支全女性赞比亚导游团队。

▶ And we were able to take our travelers to meet them and experience the far from this decolonial point of view.

我们能让旅行者见到她们，并从非殖民化的角度体验远方。

▶ So it's African women leading it.

这是由非洲女性主导的。

▶ They weren't just talking about the animals, but there was kind of this connection from the animals to the local ecology to the cultural history.

她们不只是谈论动物，而是将动物与当地生态和文化历史联系起来。

[Back to Top](#)

▶ And they were telling us stories about how they navigate SFRA guides.

她们还讲述了她们如何担任导游的故事。

▶ And how they're often underestimated by travelers who don't expect women to be in that space or don't find them credible because of their gender.

以及她们如何经常被旅行者低估，这些旅行者不认为女性会出现在这个领域，或者因为她们的性别而不信任她们。

▶ So you have those connections.

所以你有这些连接。

▶ And while they're talking about that experience, our travelers are being like, oh, in corporate America, I have that exact same experience, right?

当她们谈论这种经历时，我们的旅行者会说，哦，在美国企业界，我也有完全相同的经历，对吧？

[Back to Top](#)

▶ Where I'm not deemed credible just because of who I am or my gender or my race.

仅仅因为我是谁、我的性别或种族，我就不被信任。

▶ And so there are these moments of connections where Africans will often say, oh, we don't really think about race because everyone is black, but there are these nuances and these points of connection that the local women and the travelers can relate to.

因此，在这些连接时刻，非洲人常说，哦，我们不太考虑种族，因为每个人都是黑人，但这些细微差别和连接点是当地女性和旅行者可以产生共鸣的。

▶ How do you design the itineraries of the trip?

你如何设计旅行行程？

 00:19:50

⏮ For me, I generally will go to the country before just if it's a new country that I'm launching just to kind of try out the hotels, feel find the right sort of women that I want to be a part of the itinerary.

对我来说，如果是新推出的国家，我通常会先去那里，试试酒店，找到适合行程的女性。

⏮ So, you know, who's the tour provider I'm working with?

所以，你知道，我和哪家旅游供应商合作？

⏮ Transportation company, all those like little details because I prioritized black old women owned, you kind of have to look a little harder than you would normally.

交通公司，所有这些小细节，因为我优先考虑黑人女性拥有的企业，你必须比平时更努力寻找。

[Back to Top](#)

 00:20:18

⏮ And then I also want to kind of tell a story.

然后我还想讲述一个故事。

⏮ So because we started off as a magazine, I still have that like storytelling desire throughout the trips to kind of with each day with each activity kind of unlock something new and like expose a truth and unlearning because it is, you know, people of the diaspora visiting Africa.

因为我们最初是一本杂志，我仍然有讲故事的欲望，在整个旅行中，每天每项活动都揭示一些新东西，揭露真相并重新学习，因为这是散居海外的人访问非洲。

⏮ There are certain things I want them to like leave knowing, right?

我希望他们离开时知道一些事情，对吧？

[Back to Top](#)

 00:20:43

▶ So a good example is black old Cape Town.

一个好的例子是黑人拥有的开普敦。

▶ We started that itinerary in like 2022.

我们在2022年左右开始这个行程。

▶ And if you've ever been to Cape Town, South Africa, you'll know that, you know, it's mostly white old businesses like the other part side.

如果你去过南非开普敦，你会知道，那里大多是白人拥有的企业，比如另一部分。

▶ I don't usually get culture shock, but Cape Town was almost like traveling through time.

我通常不会受到文化冲击，但开普敦几乎像是穿越时空。

[Back to Top](#)

 00:21:04

▶ And so I wanted it for other black travelers to yes experience Cape Town and understand that it is an African city because a lot of people say, oh, Cape Town is like a European city.

因此，我希望其他黑人旅行者能体验开普敦，并理解它是一个非洲城市，因为很多人说，哦，开普敦像是一个欧洲城市。

▶ It's the European city of Africa, but black people were displaced to create what is Cape Town today.

它是非洲的欧洲城市，但黑人是被驱逐才创造了今天的开普敦。

▶ So there are indigenous Cape Town names that are black and they were moved forcibly moved.

因此，有一些原住民开普敦名字是黑人，他们是被强行迁移的。

[Back to Top](#)

 00:21:24

▶ And so I want to tell that story, but I also want to say that despite all the terrible things that happen to black people in Cape Town, there's so many thriving.

所以我想讲述这个故事，但我也想说的是，尽管开普敦的黑人遭遇了可怕的事情，但仍有这么多人在蓬勃发展。

▶ So we have black women on restaurants, black fine dining chefs, the only black owned winery in South Africa is on our on our experience as well.

所以我们有黑人女性经营的餐厅，黑人高级厨师，南非唯一一家黑人拥有的酒庄也在我们的体验中。

▶ And so it's to say that yes, despite the disadvantages, people have been able to thrive and I would love to introduce you to them and have them tell their story of how they got here.

因此，这是为了说明，尽管有不利条件，人们仍能蓬勃发展，我很乐意介绍他们给你，让他们讲述他们如何走到今天的故事。

[Back to Top](#)

 00:21:53

▶ Because it's just one generation since apartheid, but it's incredible what people have managed to build despite that.

因为种族隔离才过去一代人，但人们在那之后建立的成就令人难以置信。

🎧 Yeah, and Lenka, with you, it's the I'm assuming it's it's very different when you're behind the itinerary because you're not looking at high end.

是的，伦卡，对你来说，我猜你在设计行程时非常不同，因为你不是追求高端。

🎧 No, I'm not.

不，我不是。

🎧 When I plan my trip, I usually go to the country, each hike few weeks and then I just think about how I would like to spend my two weeks with my clients.

当我计划旅行时，我通常会去那个国家，徒步几周，然后想想如何与客户度过这两周。

[Back to Top](#)

 00:22:24

🎧 I plan a trip and that's it.

我计划一次旅行，就这样。

🎧 I always try to get to know local people or commentality, which is quite helpful and your friend has such a trip.

我总是试图了解当地人，这很有帮助，你的朋友也有这样的旅行。

🎧 So I always try to visit every single sette, every single village I plan to bring my clients just to not be surprised, to not be shocked about what we are going to see.

所以我总是试图访问每一个村庄，每一个我计划带客户去的地方，以免对我们即将看到的东西感到惊讶或震惊。

🎧 And Lenka, how do you cope when things go wrong?

伦卡，当事情出错时你如何应对？

[Back to Top](#)

▶ How do you deal with them?

你如何处理它们？

▶ I knock on the boot on the boot, things do not go wrong on my trips.

我敲敲木头，我的旅行中不会出错。

▶ No, no, there are always there are some minor issues like you can you can miss your bus or like some people get sick, some people get injured.

不，不，总有一些小问题，比如你可能错过公交车，或者有人生病，有人受伤。

▶ Yeah, yeah, but no one of my clients is expecting that everything will go 100%.

是的，是的，但我的客户中没有人期望一切都会100%顺利。

[Back to Top](#)

▶ That's why every time I have the I call it expeditions, there is one extra day, like three day because if anything goes wrong, we have this extra day and we always will catch our flight.

这就是为什么每次我称之为探险时，都会多安排一天，比如三天，因为如果出现问题，我们有这额外的一天，总能赶上航班。

▶ I think the worst thing would happen to us was in a shot two years ago, we went to get a whole festival of nomadic people and it's pretty, it's one of the best experience I ever had because when I can travel independently, I travel for a religious festival, this is kind of my hobby.

我认为最糟糕的事情发生在两年前，我们去参加一个游牧民族的节日，那是我有过的最好的经历之一，因为当我能够独立旅行时，我会为宗教节日旅行，这是我的爱好。

▶ And we had we've been there for a rainy season, so they work a couple of days, we just spent seven hours a day digging our cars from the mat and at the end we had a car accident, like we were pretty far eight hours from the hospital.

我们在雨季去了那里，所以他们工作了几天，我们每天花七小时把车从泥里挖出来，最后我们出了车祸，离医院有八小时路程。

[Back to Top](#)

 00:23:52

🎵 So it was the worst that happened, basically accident, I got the worst, it was me, it was myself, so it's fine.

所以最糟糕的事情发生了，基本上是车祸，我伤得最重，是我自己，所以没关系。

🎵 And tell me finally, how do you cope when things go wrong?

最后告诉我，当事情出错时你如何应对？

🎵 It's kind of very different from Line Cup because it is luxury and people are paying a premium, there is this expectation that everything is going to go exactly to plan on the minute and with Africa travel, and be luxurious, right?

这与伦卡非常不同，因为这是豪华旅行，人们支付高价，期望一切都会按计划进行，非洲旅行也要豪华，对吧？

[Back to Top](#)

 00:24:18

🎵 Yes.

是的。

🎵 And if Africa travel that's not always possible, especially when it comes to the timing of things, you really just have to learn to go with the flow.

在非洲旅行中，这并不总是可能的，特别是在时间安排上，你真的要学会顺其自然。

⏮ So I've purposefully chosen destinations where things are less likely to go wrong, where people do respect time a little more.

所以我特意选择了不太可能出错的目的地，那里的人更尊重时间。

⏮ And a lot of the times when things do go wrong, it's kind of like on the back end.

很多时候，当问题出现时，往往是在幕后。

[Back to Top](#)

 00:24:43

⏮ So there's this double mask you have to wear as a travel leader, as a trip leader, right?

作为旅行领队，你必须戴上双重面具，对吧？

⏮ You're trying to host people and be in conversation with them and be an amazing host.

你既要招待大家，与他们交谈，又要做一位出色的主人。

⏮ And on the back end, you're scrambling with the kitchen, you're scrambling with the hotel to make sure all those little details are on.

而在幕后，你还要与厨房和酒店周旋，确保所有细节到位。

⏮ So for me, when things go wrong, it's usually on the back end side, something with service at the hotel.

所以对我来说，出问题通常是在幕后，比如酒店服务出了问题。

[Back to Top](#)

 00:25:06

⏮ And I try to cover it up.

我会尽量掩盖这些问题。

▶ I understand that at one point some food didn't arrive for two hours.

我记得有一次，食物等了两个小时都没上。

▶ What was your response to that, Tammy?

Tammy，你当时是怎么应对的？

▶ Yeah, so we were in a car gunner and we had been waiting for food for two hours.

是的，我们当时在车上，等了两个小时的食物。

▶ They actually served a table that had arrived after us before us.

他们居然先服务了比我们晚到的桌子。

▶ And so I just went into the kitchen.

于是我就直接进了厨房。

[Back to Top](#)

 00:25:27

▶ I was like, can I get an apron?

我说，能给我条围裙吗？

▶ Let me help you make this gel off.

我来帮你们搞定这些。

▶ You clearly need help.

你们显然需要帮忙。

▶ And you have to find those like humors with diffusing situations.

你必须用幽默来化解紧张局面。

▶ Because you can't blow up.

因为你不能发火。

▶ You have a group of people looking at you.

有一群人正看着你呢。

▶ So yeah, that's what I tend to always use humor to bring people around.

所以，我总是用幽默来让大家放松。

▶ And if we came out in 15 minutes.

如果我们15分钟内搞定。

[Back to Top](#)

 00:25:45

▶ Well, actually, when they are hungry, I bribed them with another locality.

其实，当他们饿了的时候，我会用另一个景点“贿赂”他们。

▶ Sometimes it happens that, guys, if we keep lunch, we can see this one place more.

有时候我会说，伙计们，如果我们推迟午餐，就能多看一个地方。

▶ Isn't it better?

这样不是更好吗？

▶ Yeah, yeah, sure it is.

是啊，当然更好。

▶ I mean, it's five hours.

我是说，五个小时而已。

▶ You will not die of hunger, so it's fine.

你们不会饿死的，没关系。

▶ Ladies, thank you so much for joining us on the conversation for this episode.
