⏮ As the situation in the ground, the people are so immersed in finding something to eat after for almost four months of complete closure of all Christmas and borders.

当地的情况是，在几乎所有通道和边境关闭近四个月，人们正忙于寻找食物。

bilibili 00:03:04

⏮ Some trucks are entering Gaza Strip, and people are celebrating just having sugar, imagine, having sugar after four months of have nothing in the market.

一些卡车正在进入加沙地带，人们因为有了糖而庆祝，想象一下，在市场里四个月一无所有后有了糖。

⏮ And these very few trucks that enter Gaza Strip and being bloated are not enough while people in Gaza are starved.

而这些进入加沙地带的少数卡车被抢劫，远远不够，因为加沙的人们正在挨饿。

⏮ And especially a vulnerable group, like 200,000,000 employees, and patients, we hear about like decisions on fully ground envisioned to Gaza Strip.

尤其是弱势群体，比如2亿雇员和患者，我们听到关于全面地面进攻加沙地带的决定。

bilibili 00:03:39

⏮ Honestly, from the ground of the Gaza Strip, people are not prepared for a new round of displacement after being continuing, continuously displaced for 15 months.

老实说，在加沙地带，人们在连续流离失所15个月后，还没有准备好迎接新一轮的流离失所。

▶ Now, they are displaced, homeless, starved.

现在，他们流离失所、无家可归、挨饿。

▶ They don't have any energy to go anywhere, and they tested that displacement.

他们没有力气去任何地方，他们已经受够了流离失所。

▶ They tested that there is no single spot in the whole Gaza Strip that's safe.

他们知道整个加沙地带没有一处是安全的。

▶ So everyone in Gaza Strip, curious about this plan, but the most important thing that they are focusing on right now is securing their food, because the Manutrition symptoms are obvious on every single one in Gaza Strip.

因此，加沙地带的每个人都对这个计划感到好奇，但他们现在最关注的是确保食物，因为营养不良的症状在加沙地带的每个人身上都很明显。

▶ Well we've definitely seen the leaders of both countries of Azerbaijan and Armenia commit themselves to a peace process and to finalising a peace treaty.

我们确实看到阿塞拜疆和亚美尼亚两国领导人致力于和平进程并最终达成和平条约。

 00:09:16

▶ The text of which they already agreed upon in March and the text of which was initial but not signed yesterday.

▶ So the governments are absolutely committed to putting this conflict behind them and entering into a new era of peace.

因此，两国政府绝对致力于将这场冲突抛在脑后，进入和平的新时代。

▶ But there are plenty of spoilers.

但有很多破坏因素。

▶ You were of course listening some of the comments by the government of Iran in reaction to the Trump quarter which is part of the agreement.

🎧 I don't belong to any political party and I've been involved with this mediating this conflict either informally or formally as the US mediator for 24 years.

我不属于任何政党，24年来我一直以非正式或正式的身份作为美国调解人参与调解这场冲突。

🎧 We got close when I was the official US mediator but clearly the countries and the leaders at the time were not ready to go as far as Donald Trump has gotten them.

在我担任美国官方调解人时我们接近成功，但显然当时两国和领导人还没有准备好像特朗普那样推进。

 00:10:53

🎧 So we had had agreement in principle from the leaders on a framework to move toward a peace treaty but we assumed it would take maybe decades to move to the peace treaty.

因此，我们曾获得两国领导人原则上同意推进和平条约的框架，但我们认为可能需要几十年才能达成和平条约。

🎧 I have to give credit to Donald Trump for bringing to the table the two leaders, bringing his clout as it may be into the picture.

我必须赞扬唐纳德·特朗普将两位领导人带到谈判桌前，并发挥了他的影响力。

🎧 Somehow managing president Putin and we'll see what happens when Putin and Trump meet in Alaska in the coming week.

不知何故，他还处理了普京总统的问题，我们将在下周特朗普和普京在阿拉斯加会面时看看会发生什么。

🎧 But this is an agreement that Putin has to hate because it is a geostrategic increase in US influence in Azerbaijan and Armenia and can prominently decrease for Russia.

但这是一项普京不得不憎恨的协议，因为它在地缘战略上增加了美国在阿塞拜疆和亚美尼亚的影响力，并可能显著削弱俄罗斯的影响力。

▶ So Trump is somehow managing this but it's not the end of the road, right?

因此，特朗普不知何故在管理这一切，但这并不是终点，对吧？

▶ I mean this is just a framework to get to a peace treaty though I emphasize the foreign ministers of both Armenian and Azerbaijan initialed the text of that peace treaty yesterday but they would not have done that without president Trump bringing the full clout of the United States in support of their effort.

我的意思是，这只是一个达成和平条约的框架，尽管我强调亚美尼亚和阿塞拜疆两国外长昨天草签了和平条约文本，但如果没有特朗普总统全力支持他们的努力，他们不会这样做。

🎵 Well, let's pick up on some of the points made in Shima's report with Cynthia Kelly, President of the Atomic Heritage Foundation.

🎵 And Cynthia, it's extraordinary when you hear people in Japan talk about their concern that people are forgetting what happened 80 years ago.

Cynthia，听到日本人谈论他们担心人们正在忘记80年前发生的事情，这很不寻常。

 00:14:56

🎵 How important is it to keep the memory of Nagasaki and Hiroshima alive?

保持对长崎和广岛的记忆有多重要？

🎵 I believe is absolutely essential to the future of the world and world peace to remember what happened.

我认为记住发生的事情对世界未来和世界和平绝对至关重要。

🎵 Hiroshima and Nagasaki's experience was the last time we have ever detonated an atomic weapon in warfare.

广岛和长崎的经历是我们最后一次在战争中使用原子弹。

🎵 Hopefully, it will remain the last time.

希望这将是最后一次。

▶ Because if we have drifted into thinking, or some leaders in the world have sort of forgotten that an atomic weapon is very different from a conventional weapon.

因为如果我们或世界上一些领导人已经逐渐忘记原子武器与传统武器的巨大差异。

 00:15:43

▶ I mean, it took like two or three hundred conventional weapons to bomb Tokyo on March 8, 1945 and leave it in ruins.

我的意思是，1945年3月8日，轰炸东京并使其成为废墟需要两三百枚常规武器。

🎧 I was struck in visiting with many survivors about five years ago, was that it wasn't just the immediate aftermath, which was horrific enough with people skin falling off and people thinking that they were okay in trying to rescue neighbors or relatives and then discovering only a few days later they were stricken with radioactive sicknesses that debilitated them.
