美联储宣布最新利率决定之际，该国正面临劳动力市场放缓和特朗普总统#扩张性#关税政策。

市场预计将降息25个基点。

bilibili 00:00:53

▶ I'm going to lean over to the left.

我将转向左侧。

▶ Well, I grabbed the statement, which is just printing over here, because the interesting thing is also not only what they voted for, how they voted and what all members did.

我刚拿到正在打印的声明，因为有趣的不只是投票结果，还包括投票方式和所有成员的选择。

▶ Now, here we go.

现在请看。

▶ Voting for monetary policy was most of them.

多数成员投票支持#货币#政策。

▶ Ah, there it is.

啊，在这里。

▶ There it is.

就在这里。

▶ Right at the bottom.

 00:01:15

▶ This is the important.

这是重点。

▶ This is the interesting.

这很有趣。

▶ Not so much important, but interesting bit.

不算特别重要但很有趣的一点。

▶ Voting against this action was Stephen Mirren, who preferred to cut the rate by 50 basis point, half a percentage point.

斯蒂芬·米伦反对该决定，他主张降息50个基点（0.5个百分点）。

▶ That is interesting, because Stephen Mirren is Donald Trump's pick to take one of the vacant seats, full of vacant seats, and he was only confirmed yesterday.

这很有趣，因为米伦是特朗普提名的候选人（填补众多空缺席位之一），昨天刚获得确认任命。

 00:01:46

▶ The vote to confirm him happened late last night.

参议院昨晚深夜通过了对他的任命投票。

▶ So not only has Donald Trump got his person onto the Fed board, that man voted for a twice larger rate cut than the rest of the board.

特朗普不仅成功安插自己人进入美联储理事会，此人更主张比其它成员激进一倍的降息幅度。

▶ One other thing to note, Lisa Koch, she is the Fed governor that Donald Trump is trying to sack, who a court ruled could sit today, and yesterday she voted for the 25 basis points.

另需注意：被特朗普试图罢免的美联储理事丽莎·库克（法院裁定其可保留席位）昨日投票支持降息25个基点。

bilibili 00:02:20

▶ So that catches amongst the pigeons here.

这无疑在#鸽派中投下震撼弹。

▶ Yeah, I mean, interesting that Stephen Mirren, the newly confirmed governor, has the way he's asked people to 50 basis points.

是的，新获任命的理事米伦直接主张降息50个基点的方式确实耐人寻味。

▶ And this has been described, Richard, as one of the most politically charged decisions and unprecedented meeting.

理查德，这被称为最具政治色彩的决定和#前所未有的#的会议。

▶ Do you have a sense in terms of if you looked at the dot plot, what the guidance is, and of course we'll hear from Jay Power a bit later in about 25 minutes also.

从点阵图来看，您对政策指引有何判断？当然25分钟后我们还将听到鲍威尔的讲话。

▶ I know you're still trawling for all the papers.

我知道您仍在查阅所有文件。

▶ I think, look, the politicization of the Fed is now well and truly underway.

我认为美联储的政治化进程已然正式开始。

▶ The fact that Mirren couldn't go even just to not so he didn't scare the horses.

事实上米伦甚至不愿选择温和立场（以免惊动市场）。

 00:03:12

▶ He couldn't go for 25 basis points.

他拒绝支持25个基点的方案。

▶ And the reason I say this is because the other two candidates, or sorry, the other two governors who did Christopher Waller and Michelle Bowen, they both went for 25 last time and they went for 25 this time.

我这样说的原因是：另外两位理事克里斯托弗·沃勒和米歇尔·鲍曼上次和本次都支持降息25个基点。

▶ In other words, they're going with the majority.

换言之他们选择与多数派保持一致。

▶ It is Stephen Mirren, who is just basically sticking two fingers up at the rest of them, saying, I mean, we can only interpret this as being my form of boss, if you will.

而斯蒂芬·米伦简直是在向其他人比蔑视手势，只能解读为他在向提名自己的老板表忠。

 00:03:45

▶ I was head of Chief Economic Advisor.

我曾担任白宫经济顾问委员会主任。

▶ He wants 50 basis points.

他想要降息50个基点。

▶ He's put me here.

▶ And I think we'll get a better sense, Richard.

理查德，届时我们会有更清晰的认识。

▶ I think a lot of people will be listening to what exactly how he frames this, the words he used, the language in terms of what we likely to see in the next meetings.

许多人将仔细聆听他的措辞表述，从中研判未来会议的可能走向。

 00:04:26

▶ This is going to be crucial here.

这将是关键所在。

▶ Yes, I mean, he's going to have to explain the explanation of the quarter point is really quite straightforward.

是的，他需要解释降息25个基点的理由——其实相当# straightforward#（直截了当）。

▶ He's made it clear there is a balance of risks when you have your two sides of your mandate, full employment and inflation and they are in conflict, you balance which is the most important at the moment.

他已明确表示：当充分就业和通胀双重使命出现冲突时，需要权衡当前哪项任务更重要。

 00:04:48

▶ And clearly, unemployment is more important or the employment picture is more serious at the moment.

显然当前失业问题更重要，就业形势更严峻。

▶ But he's going to have to answer questions about the fact.

但他必须回应这个事实：

▶ He now has a Fed governor in Stephen Marin, who's clearly there to do the president's business.

现任美联储理事斯蒂芬·米伦明显是为总统的政治目的服务。

▶ Whatever you say, there is that, you know, Waller and Bowman didn't go for 50 basis points.

无论如何，沃勒和鲍曼确实没有支持降息50个基点。

 00:05:11

▶ They were the, if you will, the stalwarts for a rate cut.

他们可谓是降息政策的坚定支持者。

🎧 So now you're going to have the question, if you get rid of Lisa Cook and you get rid of Powell next year when his terms up, you end up with a majority which you can then finagle elsewhere.

现在问题来了：若明年罢免库克且鲍威尔任期届满后，最终将形成可操纵政策走向的多数派。

🎧 Looking at the dot plot, Josh is also looking at it and we'll be telling you if he sees anything particularly interesting in the dot plots.

乔希正在分析点阵图，若发现异常情况会及时告知。

 00:05:33

🎧 The way I see it at the moment, rates are coming down.

据我观察，利率正在下行。

🎧 If we take a closer look at the dot plot, we'll have it for you later.

稍后我们将详细解读点阵图。

🎧 But rates are coming down and they're going to probably come down faster than the market would otherwise.

但降息速度可能会快于市场预期。

🎧 I mean, the market's up because of that, by the way.

顺便说一句，市场因此上涨。

🎧 But they're going to come down faster than I suspect Jerome Powell would like.

但降息速度可能会超出杰罗姆·鲍威尔的预期。

 00:05:58

🎧 And that's because there is this shift of balance within the Fed now and that majority.

这是因为美联储内部力量平衡和多数派构成已发生变化。

🎧 It's unique for us to have heard the president of the United States as we did with Donald Trump talk about we will have a majority.

美国总统（如特朗普）公开宣称将掌控多数席位的情况实属罕见。

▶ You don't have a majority on the Fed.

美联储本不应存在多数派。

▶ They basically vote as they see fit.

成员本应依据独立判断投票。

▶ Yeah, and they're fed as you and I've been discussing it, been facing unprecedented attacks to its independence, Richard.

是的理查德，正如我们讨论的，美联储正面临对其独立性的#前所未有#的冲击。

bilibili 00:06:31

▶ I know you'll stay across this, of course, we'll bring this.

我知道您会持续关注，我们也会持续报道。

▶ Have you got it there?

您收到资料了吗？

▶ Of course, we'll be across the latest numbers.

我们当然会跟踪最新数据。

▶ We'll be also be listening into Jerome Powell who speaks in less than what, 24 minutes time.

我们还将聆听约24分钟后鲍威尔的讲话。

▶ And I think the questions are probably the most interesting part of that and some sense of guidance, I think, will be crucial.

我认为提问环节最有趣，而政策#指引#的蛛丝马迹将至关重要。

▶ See, in the protests here, the pomp on the sign and the winters.

看，这里的抗议活动中，标语上的浮华与寒冬。

▶ But I'm guessing a lot of these protests, President Trump, on me seeing them, Elena.

但我猜很多这些抗议，特朗普总统，在我看到它们时，埃琳娜。

▶ No, and I think that's by design.

不，我认为这是有意为之。

▶ Yes, I mean, he's not spending any time really in the heart of London apart from his, you know, overnight stay last night, but he immediately traveled here.

是的，我的意思是，除了昨晚的过夜停留，他根本没有在伦敦市中心待任何时间，而是立即来到了这里。

 00:08:35

▶ He'll be staying at Windsor this evening after that state banquet, tomorrow heading directly to checkers, and then departing back for Washington.

今晚国宴banquet之后他将下榻温莎，明天直接前往契克斯，然后返回华盛顿。

▶ So not a lot of time in London, kind of, you know, to the benefit, I think, of the UK, the Prime Minister, of course, and the royal family.

所以在伦敦时间不多，某种程度上，你知道，我认为这对英国、首相当然还有王室都有利。

▶ He is not spending any time at, you know, I've been to Mr. Abbey, or any time inside of Becklingham, Palace, because it's going under renovations.

他没有花时间在，你知道，我去过阿比先生，或者任何时间在贝克灵厄姆宫内部，因为它正在翻修。

 00:09:02

▶ And so he is being a little bit insulated from this.

因此他有点与这一切隔绝。

▶ It's actually similar, kind of lucky as well, that last night here in Windsor, there were political, you know, protesters and activists who were putting images, displaying images of the President and Jeffrey Epstein on the castle walls for them were arrested.

实际上类似，也算幸运，昨晚在温莎，有政治，你知道，抗议者和活动人士将总统和杰弗里·爱泼斯坦的图像投射、展示在城堡墙壁上，他们被捕了。

▶ But really, he is insulated from all of this, the only really time he could see some of this would be on social media.

但实际上，他与所有这一切隔绝，他唯一真正能看到其中一些内容的时间可能是在社交媒体上。

bilibili 00:09:29

▶ So far, we really haven't seen any kind of reaction from the President to any of that, very unlike what we saw back in 2019 for that first state visit when he was, you know, criticizing and noting a lot of it on social media.

到目前为止，我们确实没有看到总统对此有任何反应，这与我们在2019年第一次国事访问时看到的非常不同，当时他，你知道，在社交媒体上批评并记录了很多。

▶ We haven't seen that yet, but of course, perhaps after that state banquet, we know the President and L.A.S. I do, like to stay up late at night, you know, sending those truth social posts.

我们还没有看到，但当然，也许在那场国宴之后，我们知道总统和L.A.S.我确实，喜欢深夜不睡，你知道，发送那些真相社交帖子。

▶ So we could still see that.

所以我们仍然可能看到。

bilibili 00:09:51

▶ But look, I do think by large, this has really been a lot of time with the Royals.

但是看，我确实认为总体上，这次真的花了很多时间与王室在一起。

▶ I've actually been kind of struck, Isa, by how much time President Donald Trump has spent in one-on-one conversation behind closed doors with King Charles.

我实际上有点惊讶，艾萨，唐纳德·特朗普总统花了多少时间与查尔斯国王 behind closed doors 进行一对一交谈。

▶ And of course, you know, at a moment like this, as much as President Donald Trump has great respect for King Charles, I know just a couple of days ago he remarked on how he believes they have a great relationship, how he's a great king.

当然，你知道，在这样的时刻，尽管唐纳德·特朗普总统非常尊重查尔斯国王，我知道就在几天前他还评论说他相信他们关系很好，说他是一位伟大的国王。

bilibili 00:10:19

▶ They have very different politics.

而且，你知道，我们很好奇国王是否可能提出一些他优先考虑的事情。

▶ One, of course, which is having more aid be sent to Ukraine to try and counter Russian aggression.

其中之一当然是向乌克兰提供更多援助，以试图对抗俄罗斯的#侵略aggression。

▶ And then also, of course, climate change among other things.

然后当然还有气候变化等其他事情。

 00:10:37

▶ Their politics are very different, not sure if it's come up in any of those conversations and the Royals, of course, try to keep those under wraps.

他们的政治立场非常不同，不确定是否在任何这些谈话中出现过，而王室当然试图对这些保密。

▶ But we will be pressing for more on that.

但我们将就此进一步#施压pressing。

▶ And then the state banquet is really supposed to be kind of the cherry on top of this, this padrantry that we've seen all day.

然后国宴真的应该是锦上添花，是我们今天一整天看到的盛况的顶峰。

 00:10:54

▶ That is what I know.

这就是我所知道的。

▶ Many of the people who are accompanying the President to this state visit.

许多陪同总统进行这次国事访问的人。

▶ It's not just, of course, the first lady, but also some of his top advisors, like the Treasury Secretary, like the Secretary of State.

🎧 I wonder how much the British media will shut up about this.

我想知道英国媒体对此会保持多少沉默。

bilibili 00:16:49

🎧 But there's so many questions that have been circulating here and so much pressure on Starma to answer those questions.

但这里有太多流传的问题，斯塔玛面临巨大压力需要回应。

🎧 When did you know how much did you know?

你何时知情？知情多少？

🎧 Yes, the British press certainly won't shut up.

是的，英国媒体绝不会沉默。

🎧 And the Tory press, the right wing press in this country are chomping at the bit to keep up this pressure on Kirstner.

而本国保守派媒体、右翼媒体正迫不及待地想持续对柯斯特纳施压。

bilibili 00:17:10

🎧 Because some people think Kirstner is one crisis away from a resignation.

因为有些人认为柯斯特纳距离#辞职#只差一场危机。

🎧 And so they would love the Tories and the Tory and the right wing press in this country would love another major slip up another major crisis to break well Donald Trump is here.

因此他们渴望——保守党、本国右翼媒体渴望在特朗普访英期间再爆发重大失误或危机。

🎧 And then they would really push Kirstner into big trouble.

这样他们就能真正将柯斯特纳推入困境。

🎧 It's almost unimaginable for British people that Kirstner or British political observers, I should say, that Kirstner having come into power just a year ago with a huge majority is now in this terrible state as a Prime Minister.

对英国民众或政治观察家而言，柯斯特纳一年前以巨大优势上台如今却陷入如此困境，这几乎难以置信。

 00:17:46

 I think it's hard to imagine that.

我认为这难以想象。

 And on the free speech question, there's a lot of I take called a mega supporting Atlantis.

在言论自由问题上，有许多我称之为"支持亚特兰蒂斯"的巨量声浪。

 So you know Nigel for art, the reform party, the friends of the Trump right in Britain, who are really hoping that JD Vance and others will have pressured the president will have persuaded the president to really speak out against Britain's clamp down on free speech in social media.

所以你知道支持特朗普的英国右翼——包括奈杰尔的艺术改革党等——真正希望万斯等人能施压并说服总统公开反对英国对社交媒体言论自由的压制。

 00:18:15

 Trump certainly is aware of that pressure.

🎧 Our Jeremy Diamond has more on the mass exodus from Gaza City for you.

🎧 Israeli tanks are surrounding Gaza City.

以色列坦克正包围加沙城。

🎧 As the Israeli military says it's offensive to conquer and ultimately occupy that city is very much underway.

以军称旨在#攻克#并最终占领该城的攻势正在积极推进。

🎧 Two divisions of Israeli troops or some 20,000 troops have been mobilized for this operation.

两个师约两万名以军士兵已投入此次行动。

 00:22:58

🎧 But we've yet to actually see those Israeli tanks moving into the heart of Gaza City, where hundreds of thousands of people are still living.

但我们尚未看到以军坦克进入加沙城核心区——那里仍居住着数十万人。

🎧 The military has been stepping up its aerial bombardment of the city in the meantime, though striking someone 150 targets over the last two days, according to the Israeli military.

以军称与此同时加强了对该城的空袭，过去两天袭击了约150个目标。

🎧 And we've seen that in Gaza on Wednesday dozens of people in Gaza City alone have been killed so far.

周三加沙情况显示，仅加沙城就有数十人遇难。

 00:23:26

🎧 One of those Israeli bombardments actually struck a children's hospital.

🎧 The Rantisi, El Rantisi Hospital in Gaza City was bombed three times actually overnight, while dozens of patients were inside.

🎧 Hospital officials rushing to get those patients, including children, out of that facility very quickly.

院方人员紧急转移患者（包括儿童）撤离该设施。

🎧 The Israeli military is trying to get more Palestinians to leave Gaza City at this moment.

以军正试图让更多巴勒斯坦人此刻离开加沙城。

 00:23:52

🎧 They've already estimated that some 350,000 have been displaced from Gaza City, but they're now opening a second temporary evacuation route.

他们估计已有约35万人离开加沙城，现正开放第二条临时#疏散#路线。

🎧 Not the coastal one that we've already seen be opened, but this one coming from the center of the city, heading south, encouraging people over the next two days to use that route to get out of the city.

并非我们之前看到的已开放海岸路线，而是这条从城市中心向南延伸的新路线，鼓励民众在未来两天通过该路线撤离城区。

🎧 But it's important to know that even as the Israeli military says it wants to get civilians out of harm's way.

但必须认识到，尽管以色列军方声称希望让平民远离危险区域。

bilibili 00:24:19

▶ It is facing accusations of ethnic cleansing and of carrying out the mass force displacement of Palestinians in Gaza once again.

其正面临实施#种族#清洗以及在加沙再次对巴勒斯坦人进行大规模武力#驱逐#的指控。

▶ And so many Palestinians have seen that before when evacuation routes have been outlined, those routes have also been struck by the Israeli military, or gunfire has been directed at people along those routes.

许多巴勒斯坦人曾目睹：当撤离路线被划定后，以军仍会轰炸这些路线，或向沿途民众开火。

▶ For other Palestinians, they simply don't have the means to get out of Gaza City, or they may be too ill injured to actually get out of the city on foot a multi-hour journey in order to get to Southern Gaza.

另一些巴勒斯坦人则缺乏撤离加沙城的手段，或因伤病无法徒步完成数小时前往加沙南部的行程。

bilibili 00:24:56

▶ And so the Israeli government is coming under growing international condemnation over this major new offensive in Gaza City.

因此以色列政府对加沙城新一轮大规模进攻正遭受日益强烈的国际谴责。

▶ The latest news on that front is from the European Commission, which is proposing new trade sanctions targeting Israel and far-right Israeli ministers.

▶ This would need to be approved by EU member states, but it could lead to a partial suspension of the European Union's free trade agreement with Israel.
