 10 fire engines and 70 firefighters attended the blaze, which London Fire Brigade is treating as accidental.

 For the pupils here, there was no chance of going back to school today.

对于这里的学生来说，今天根本没有机会返校。

 00:02:12

朱利安小学今天本应充满开学第一天的活力，但现在却一片寂静。

 For now, the children have no school at all, and on Friday, parents were told they won't be able to return here until after Christmas, causing huge inconvenience and to some considerable childcare costs too.

 Ladies and figures from the Mayor's office, show London has recorded the fewest number of homicides across the summer months since 2018, and none were under 25.

来自市长办公室的女士和数据显示，伦敦今年夏季记录的凶杀案数量是自2018年以来最少的，并且没有25岁以下的受害者。

 It comes as London assembly members discussed met budget cuts could affect policing in London, including the scrapping of offices in schools.

与此同时，伦敦议会成员讨论了警察预算削减可能对伦敦治安产生的影响，包括撤销驻校警官职位。

 Our political editor, Karl Mercer, is here and can tell us more.

我们的政治编辑卡尔·默瑟在这里，可以告诉我们更多信息。

 00:04:44

▶ Should we start with the positive news and those homicide figures?

我们是否应该从积极的消息和那些凶杀案数据开始？

▶ Yeah, interesting they're coming out.

是的，这些数据现在公布出来很有意思。

▶ We don't normally get them in August, but I think because they are so encouraging, that's why we're getting them from City Hall today.

我们通常不会在八月份得到这些数据，但我想因为它们非常令人鼓舞，所以今天我们才能从市政厅得到它们。

▶ If we have a look at the graphics of what's actually going on, last year, 78 people had died by this time this year, and now this year we're down to 58, so in a significant improvement there.

如果我们看看实际情况的图表，去年到这个时候有78人死亡，而今年我们下降到了58人，所以这是一个显著的改善。

 00:05:07

▶ Look at the under 25s, there were 26 homicides last year in the under 25s, that's fallen to 10 this year.

看看25岁以下的人群，去年有26起凶杀案，今年已降至10起。

▶ So again, a big improvement, and then the saddest statistic, which we always report as well, teenagers who've died nine by this time last year, and then four this year, and people will say just four, but I'm important to realise they are children who are dying.

所以又是一个巨大的改善，然后是最悲伤的统计数据，我们也总是报道，青少年死亡人数去年此时是9人，今年是4人，人们会说只有4个，但重要的是要意识到这些死去的都是孩子。

▶ The question will be of course encouraging though these are, can these things be kept up given the current cuts facing City Hall and the McPley?

当然，问题是，尽管这些数据令人鼓舞，但考虑到市政厅和警察目前面临的预算削减，这种势头能保持下去吗？

 00:05:40

▶ Something I put to the head of London's violence reduction unit.

这是我向伦敦减少暴力部门负责人提出的问题。

▶ What we're trying to get to is a long-term investment package for how we reduce violence across London, and a lot of that has to also be around early intervention and prevention.

我们正在努力争取的是一个关于如何减少伦敦各地暴力的长期投资计划，其中很大一部分还必须围绕早期干预和预防。

▶ We know that violence cost us about £3 million a day in London, and really a slice of that going towards prevention could have big impact, and that's what I think we're seeing the impact of today.

我们知道，暴力每天给伦敦造成约300万英镑的损失，如果将其中的一部分用于预防，可能会产生巨大影响，我认为这就是我们今天看到的效果。

 00:06:04

▶ Of course the Met are a key partner in that, and we do want to see the Met adequately funded to ensure that they're there out in the neighbourhoods as well.

当然，伦敦警察厅是其中的关键合作伙伴，我们确实希望看到伦敦警察厅得到充足的资金，以确保他们也能出现在社区中。

▶ So that's the more positive news.

所以这是比较积极的消息。

▶ That said, there are once again questions raised over the Met's decision to take nearly 400 offices out of schools.

话虽如此，伦敦警察厅决定从学校撤出近400名警官，再次引发了质疑。

 00:06:21

▶ Yeah, it was controversial.

是的，这个决定是有争议的。

▶ I say for schools officers, they're called based in schools all through the week, so they get to know the pupils.

我是说驻校警官，他们一周都待在学校里，所以他们能了解学生。

▶ The decision was made to move them out into the new Safe and Abyhood teams.

决定是将他们调离，并入新的安全社区小组。

▶ It came up at the Police and Crime Committee at the London Assembly today, and there was quite a feisty exchange between a South London head teacher and the Met Officer in charge of the scheme.

今天在伦敦议会的警察与犯罪委员会上讨论了此事，一位南伦敦的校长和负责该计划的伦敦警察厅官员进行了相当激烈的交锋。

 00:06:44

▶ I think here's a single most catastrophic decision in keeping children safe in the last ten years of my professional experience.

我认为这是我十年专业经验中在保护儿童安全方面最灾难性的决定。

▶ I am crushed by it personally, and at a loss as to explain how it's happened, and I'm on all the panels.

我个人对此感到崩溃，并且无法解释这是怎么发生的，我参加了所有的（相关）小组。

▶ I have confirmed, and the person who's going to sit in my chair next, you can ask, that no consultation was done on this decision.

我已经确认，而且你可以问下一个坐在这把椅子上的人，这个决定没有经过任何磋商。

 00:07:09

▶ This is not a cost saving, and if it was cost saving, we would have deleted the post, and we wouldn't have had 371 posts transferred from one role to another.

这不是为了节省成本，如果是为了节省成本，我们会删除这个职位，而不是将371个职位从一个角色转移到另一个角色。

▶ But it is about delivering policing for the benefit of young people differently, and not having people embedded in schools five days a week, where they're not visible to the wider community or to some of the other bits that are taught by at weekends in the evenings, when young people equally as unsafe.

但这是为了以不同的方式为年轻人的利益提供警务服务，而不是让人每周五天都待在学校里，在那里他们无法被更广泛的社区看到，也无法顾及周末和晚上年轻人同样不安全的其他一些方面。

▶ Yeah, an indication, I think, of the arguments that we are going to see more of over the coming weeks, but also an indication of the difficulty of keeping London as safe.

是的，我认为这表明我们在未来几周会看到更多这样的争论，但也表明了保持伦敦安全的难度。

 00:07:45

▶ Yeah, Carl, for now, thank you.

好的，卡尔，目前就先到这里，谢谢。

▶ Our political editor, Carl Messer there.

我们的政治编辑卡尔·梅瑟在那里。

▶ Okay, let's take a brief look at some of the days up and news now.

好的，现在让我们简要看看今天的一些要闻。

今天为阻止RMT工会成员计划举行的五天地铁罢工而进行的谈判已经破裂，未能达成协议。

▶ The action is due from Sunday to next Thursday in a dispute over pay and hours.

 00:08:33

▶ A parliament spokesperson said it is a disappointing outcome following months of engagement.

一位议会发言人表示，这是经过数月沟通后一个令人失望的结果。

▶ Now, just imagine what should be a short train journey taking hours.

现在，试想一下一段本该很短的火车旅程却要花上几个小时。

▶ That's assuming, of course, you can get to the platform in the first place.

这当然是在假设你首先能到达站台的前提下。

▶ That's what some wheelchair users face at one of the country's busiest rail interchange stations because platforms are only accessible via stairs.

这就是一些轮椅使用者在这个国家最繁忙的铁路换乘站之一所面临的情况，因为站台只能通过楼梯到达。

 00:08:59

▶ What's more, now plans to make Peckham Rye step free have been postponed indefinitely after government funding was withdrawn.

更重要的是，在政府撤资后，使Peckham Rye站实现无障碍通行的计划已被无限期推迟。

▶ Freddie Tennyson has been hearing from some of the Londoners affected.

弗雷迪·坦尼森一直在听取一些受影响的伦敦人的心声。

▶ Peckham Rye station is a key link for commuters in southeast London, connecting them across the capital.

Peckham Rye车站是伦敦东南部通勤者的一个关键连接点，将他们与首都各地连接起来。

bilibili 00:09:18

▶ But its platforms are only accessible by stairs.

但其站台只能通过楼梯到达。

▶ The day for me is I work in East London, so for me to get there, with the lack of its escalators stations, it's crazy.

对我来说，我在东伦敦工作，所以对我来说，由于缺少自动扶梯车站，去那里简直疯了。

bilibili 00:09:42

▶ I finish work at midnight one AM sometimes, but at time I get home it can be 3-4 AM, whereas if I had an escalator station to use, I could be home in 45 minutes and have them not be shot of the next day, not be in pain and not have to go to work.

我有时在午夜或凌晨一点下班，但到家时可能是凌晨三四点，而如果我能使用有自动扶梯的车站，我可以在45分钟内到家，这样第二天就不会精疲力尽，不会感到痛苦，也不至于无法上班。

▶ It gets the points from times being like, am I better off on benefits?

有时会让我想到，我是不是靠福利金过活更好？

🎧 Cool, come down.

冷静，别激动。

 00:10:04

🎧 And it's not just Nathan, Terry's wife started using a wheelchair two years ago.

而且不仅仅是内森，特里的妻子两年前开始使用轮椅。

🎧 He says the station's inaccessibility has left them isolated.

他说车站的无障碍设施缺失让他们感到孤立。

🎧 If we go out to shop and chance to walk very far, yes we have to take a wheelchair, which we used to use when we used to go to Bromley Shopping, but we can't get up the stairs at Peckham Rye Station.

如果我们出去购物并且可能要走很远，是的，我们必须带上轮椅，我们以前去布罗姆利购物时就用它，但我们无法爬上Peckham Rye车站的楼梯。

 00:10:24

🎧 So we now have to take a cab which costs 70 pounds return just to go one day shopping.

🎧 Peckham Rye is said to be the busiest interchange station in the UK without step-free access.

Peckham Rye据说是英国最繁忙的没有无障碍通道的换乘站。

🎧 This platform alone took me two flights of stairs, but despite this, the Department of Transport has said it's prioritising projects that it believes delivers the greatest benefits, passengers and economic growth, leaving this station's upgrade on hold.

光是这个站台我就爬了两段楼梯，但尽管如此，交通部表示正在优先考虑其认为能带来最大效益、惠及乘客和促进经济增长的项目，使得该车站的升级改造被搁置。

 00:10:59

▶ The original plans would have opened up the back of the station, added a new entrance and installed lifts to make every platform step-free, so that councils separate plans to improve the station's frontage are still going ahead.

最初的计划本是打通车站后部，增加一个新入口并安装电梯，使每个站台都实现无障碍通行，因此议会改善车站外观的单独计划仍在进行中。

▶ Network Rail says it will continue to work closely with the Department for Transport on future developments at Peckham Rye, while the government said it will keep the scheme under review for future funding, so for now Peckham Rye's platforms remain out of reach for passengers like Nathan, Freddie Tennyson, BBC London.

铁路网公司表示将继续与交通部就Peckham Rye未来的发展密切合作，而政府表示将继续审查该计划以寻求未来资金，因此就目前而言，Peckham Rye的站台对象内森这样的乘客来说仍然遥不可及。弗雷迪·坦尼森，BBC伦敦报道。

知道我们不仅仅是一群被塞进一栋楼里的老人，知道如果我们需要找人帮点小忙，周围也有年轻人，这让人很安心。

▶ In return for offering company or organising activities like walks, students like Moorley are charged a lower rent.

作为提供陪伴或组织散步等活动的回报，像穆尔利这样的学生只需支付较低的租金。

bilibili 00:12:52

🎧 I think initially there is a hesitation because you're living with a different generation, but I think once you start, even within the first week, you realise it actually means a lot to those individuals.

我认为最初会有些犹豫，因为你是和不同世代的人住在一起，但我想一旦开始，甚至在第一周内，你就会意识到这对那些人来说实际上意义重大。

🎧 And it means a lot to me too, so I think that initial hurdles are something that as a collective that we maybe need to get over, but I think a lot of people would find it very rewarding.

这对我自己也意义重大，所以我认为最初的障碍是我们作为一个集体也许需要克服的，但我想很多人会发现这非常值得。

🎧 It's bridged the gap between young and old, but it does come with its quirks.

它弥合了年轻人和老年人之间的代沟，但也确实有其独特之处。

 00:13:18

This is the first of these schemes in the country.

这是该国此类计划中的第一个。

Intergenerational housing is a new idea, but it's really important in breaking down social isolation and building community.

代际共居是一个新想法，但它在打破社会孤立和建设社区方面确实非常重要。

And we hope it will be a blueprint for other associations throughout the country.

我们希望它能成为全国其他协会的蓝图。

Claire says she feels less isolated and much safer after living in hostels for the last 10 years.

克莱尔说，在住了10年旅社之后，她感到不那么孤立了，而且安全多了。

It was at every night, it was at batting down the hatches and trying to stay safe.

那是每个晚上，都是紧闭门户，努力保证安全。

And oh my, those are so great.

哦，天哪，那些日子太艰难了。

It was hard.

很高兴你能来。

▶ We saw just how much it means to Claire there, not just feeling safer, but rewarding for everyone involved.

我们看到了这对克莱尔意味着多少，不仅仅是感觉更安全，而且对每个参与者都很有回报。

▶ Yeah, it's really special to see examples like that where housing is not just seen as bricks and walls, but social infrastructure that encourages you to be a good neighbour, to come together.

是的，看到这样的例子真的很特别，住房不仅仅被视为砖块和墙壁，而是鼓励你成为好邻居、走到一起的社会基础设施。

 00:15:09

⏮ And it's really, really, it's really special and I want to want to see more of it because the benefits are across all ages.

它真的非常非常特别，我希望看到更多这样的项目，因为好处是惠及所有年龄段的。

⏮ And the benefits are clear.

好处是显而易见的。

⏮ And we know that we've got an ageing population, not just in London and social isolation will be a challenge.

而且我们知道我们面临人口老龄化，不仅仅是在伦敦，社会孤立将是一个挑战。

⏮ If things like this, you know, is one of the solutions, do we need to shift our mindset on this in order to make it a reality?

如果像这样的事情是解决方案之一，我们是否需要转变心态才能使其成为现实？

 00:15:34

⏮ Yeah, absolutely.

是的，绝对需要。

⏮ That's what I think.

我就是这么认为的。

⏮ We have this kind of ideal when it comes to our home, how we live, of nuclear family, home ownership as being the only valid aspiration, the only valid thing to aim for.

当我们谈到我们的家、我们的生活时，我们有一种理想，即核心家庭、拥有住房是唯一有效的抱负，唯一有效的目标。

⏮ But there's so many valid ways to live.

但其实有很多有效的生活方式。

⏮ And I think we need to be incentivising creative housing models that bring us together and that are more sustainable as well.

我认为我们需要激励那些能将我们聚集在一起、并且更可持续的创造性住房模式。

 00:15:58

▶ And some might say costly?

有些人可能会说成本高昂？

▶ Yeah, more costly.

是的，成本更高。

▶ More affordable often, there's

通常更实惠，有

▶ Some, this thing called economies of scale where if people are coming together, they can often benefit from more shared spaces, share more resources, weightless.

这就是所谓的规模经济，当人们聚集在一起时，他们通常可以从更多的共享空间和共享资源中受益，而且是无形的。

▶ Now, given your research, what can we learn from other countries that realistically can be applied here?

根据你的研究，我们可以从其他国家实际借鉴哪些经验应用到这里？

 00:16:19

▶ Well, the first thing we can take is hope.

首先，我们能得到的是希望。

▶ There's lots of ways to house and there's lots of examples all over the world.

世界上有很多住房方式和大量实例。

▶ I think there's a lot of policy shifts.

我认为需要进行很多政策转变。

▶ So our planning and our financial kind of systems are set up for traditional family structures.

我们的规划和金融体系是为传统家庭结构设立的。

🎧 So it's about making it easier for things like shared ownership for different families to live together in one household.

所以关键在于让不同家庭共享产权、共同居住在一户这样的事情变得更容易。

bilibili 00:16:39

🎧 It's now very difficult to do that.

现在这样做非常困难。

🎧 But I actually think it's less about the policy and it's about the culture.

但我实际上认为这与其说是政策问题，不如说是文化问题。

🎧 It's about taking that shift to know that there's lots of ways that we can live together beyond just the nuclear family structures and that it benefits everyone.

关键在于实现这种转变，认识到我们有很多共同生活的方式，不仅仅局限于核心家庭结构，而且这对每个人都有好处。

🎧 So I think it's time to be bold and creative with different types of housing.

所以我认为现在是时候大胆、创造性地尝试不同类型的住房了。

bilibili 00:17:00

🎧 Practically, I mean, and it sounds like you're not on the face of it, but practically how difficult is that to do, especially in a city like London, which is, you know, quite a transient population as well?

实际上，我的意思是，虽然听起来你表面上并不这么认为，但实际上做起来有多难，尤其是在像伦敦这样的城市，你知道，这里的人口流动性也很大？

🎧 So it's there's many different, it's a whole spectrum.

所以这有很多不同的方面，是一个完整的谱系。

bilibili 00:22:59

🎵 It's our job to make sure we put a show on the pitch and keep delivering and the fans to get out and support the teams throughout the whole WSL, not just here at Arsenal.

我们的职责是确保在球场上表现出色，不断取得成绩，而球迷们则要走出去支持整个女足超级联赛的球队，而不仅仅是这里的阿森纳。

 Hello.

你好。

 At the time and being local as well, I just don't think we ever dreamed that it would happen for us.

在当时，而且作为本地人，我从不认为我们会梦想成真。

 At school everyone said you're never going to do it, you're never going to play football and we proved everyone wrong.

在学校时，每个人都说你永远做不到，你永远不可能踢足球，而我们证明了所有人都错了。

 And it's worth remembering.

这值得铭记。

 Those words that ended that report in 1988.

那是1988年那篇报道的结束语。

 If I only women out there that do want to join Michelle and Sarah, don't give in touch with us, get in touch with Arsenal and eventually one day there might be women playing at hybrid.

如果外面有女性想加入米歇尔和萨拉，不要联系我们，联系阿森纳，最终有一天可能会有女性在海布里球场踢球。

 00:24:34

 Well, funny you should say that they are at the Emirates this weekend.

嗯，你这么说真巧，她们本周末就在酋长球场。

 Indeed John Watson there.

🎵 And with that, it's time for a check on the weather with Ben and I know we need the rain, but pretty windy out there too.

说到这里，现在是本带来的天气预报时间，我知道我们需要雨水，但外面风也很大。

🎵 Absolutely, Riz, you might not have said yes to today's weather because yes, we do need the rain, but we've had quite a lot of it today.

绝对如此，里兹，你可能不会对今天的天气说“愿意”，因为是的，我们确实需要雨水，但我们今天已经下了很多雨。

bilibili 00:25:22

🎵 Some really heavy downpours.

有一些真正的大暴雨。

🎵 That was how it looked for one of our weather watches in Surrey earlier on this morning.

这就是今天早上早些时候我们萨里郡的一位天气观察员所看到的情况。

🎵 The sun did put in an appearance as well, but it was pretty windy out there for tomorrow.

太阳也确实露了面，但明天外面的风会很大。

🎧 There are more heavy showers in the forecast, but probably not as many as we've had today, a few more sunny spells in the mix.

预报会有更多的大阵雨，但可能没有今天这么多，其间还会有更多的晴朗时段。

 00:25:40

🎧 So today, yes, we did have some pretty wet weather that moved through at times, some heavy sundery downpours, some bright or sunny spells.

所以今天，是的，我们确实经历了一些相当潮湿的天气，时而有一些猛烈的、阳光照耀下的暴雨，也有一些明亮或晴朗的时段。

🎧 Now the heaviest of those showers have mostly cleared away now.

现在，那些最强的阵雨大部分已经消散了。

🎧 We do just have this set line of heavy showers pushing across the London area at the moment, but generally speaking over the next few hours, things will dry up.

目前我们确实只有这一条强阵雨带正推进穿过伦敦地区，但总的来说，未来几个小时内，天气会变干燥。

 00:25:57

🎧 There'll be some clear spells overnight, but then actually by the start of tomorrow morning, I think we will see a few more heavy showers just starting to drift up from the south overnight lows on around 10 to 13 degrees.

夜间会有一些晴朗的时段，但实际上到了明天清晨，我认为我们会看到更多的大阵雨开始从南部飘来，夜间最低气温在10到13度左右。

🎧 And that's how things look as we wake up on Thursday morning.

这就是我们周四早上醒来时的天气情况。

🎧 And actually for the morning commute, we could see some pretty heavy showers and thunderstorms drifting through.

实际上，对于早高峰通勤，我们可能会看到一些相当强的阵雨和雷暴飘过。

bilibili 00:26:18

▶ They will clear, then we'll see some sunshine, still some showers around into the afternoon, but not as many.

它们会消散，然后我们会看到一些阳光，下午仍然会有一些阵雨，但没那么多了。

▶ The story is one of things that drying out a little bit, I think, by the end of the day.

总的来说，我认为到一天结束时，天气会稍微变得干燥一些。

▶ Temperatures, well, they're a bit lower than they have been, 17, 18 or 19 degrees.

气温呢，会比之前低一些，17、18或19度。

▶ Now, let me show you Friday's weather, because Friday certainly does look like a drier day, probably the driest day of the week for many of us.

现在，让我给你看看周五的天气，因为周五看起来确实是一个更干燥的日子，对我们许多人来说可能是本周最干燥的一天。

bilibili 00:26:40

▶ A few showers popping up a bit of patchy cloud, but not a bad day.

会有几场阵雨，有点片状云，但天气不错。

▶ Some spells of sunshine and actually starting to feeling a little bit warmer with those temperatures up to around 21 degrees.

会有几段阳光，实际上随着气温上升到21度左右，开始感觉有点暖和了。

▶ And that sets us up certainly for the first half of the weekend, because high pressure will be with us for Saturday, southerly winds bringing some warm air across our area.

这无疑为我们周末的前半段做好了准备，因为周六高压将控制我们这里，南风会给我们地区带来一些暖空气。

bilibili 00:26:59

▶ But by Sunday, we see low pressure swinging back in from the west, a weather front, which is likely to bring some rain as we go through the day on Sunday, and it will turn quite windy again as well.

但到了周日，我们会看到低压从西部回旋而来，一个天气锋面，很可能在周日白天带来一些雨水，并且又会变得相当大风。

▶ So Friday, Saturday, our drier days, Sunday will bring some outbreaks of rain.

所以周五、周六是我们干燥的日子，周日会带来一些降雨。

▶ And then as we head into next week, things actually have decidedly unsettled.

然后随着我们进入下周，天气实际上会明显不稳定。

bilibili 00:27:19

▶ Low pressure will often be in charge.

低压通常会占主导地位。

▶ There will be some rain.

会有一些雨。

▶ There will also be some brisk winds, and it will turn a little bit cooler as well.

也会有一些疾风，并且还会变得有点凉。

▶ That's how it's looking.

情况就是这样。

▶ Back to you, Rick.

交还给你，里克。

▶ What's known as a mixed bag, Ben, thank you.

这就是所谓的天气多变，本，谢谢。

▶ And that's it from us this Wednesday.

这就是我们本周三的全部内容。

亚伦·保罗明天早上6点将回到BBC伦敦广播电台的早餐节目，而周五早上是我主持，如果你有兴趣可以来收听。

▶ Bye bye.

再见。
